

HELP FEED LOCAL FAMILIES

THANKSGIVING FOOD DRIVE

Metrocrest Services Thanksgiving Program provides meals to local families in need. With your help we can supply food to those families this Thanksgiving holiday. Each family will receive an ample box of food based on family size.

All supplies collected will be distributed to low-income families living in Carrollton, Farmers Branch, Addison, Coppell, and Dallas in Denton County. Last year, we distributed approximately 2,428 boxes of food to families during the November and December holiday programs.

Any food remaining after the holidays will be distributed through our Food Pantry where we assist an average of 750 families weekly with 25+ pounds of food per person. During the last year, the pantry distributed over 832,707 meals to help local families address food insecurities.
