New Name, Same Heart

OUR MISSION

To provide programs for individuals, families, and seniors that lead to self-sufficiency and foster independence. We aid individuals in Carrollton, Farmers Branch, Addison, Coppell and city of Dallas in Denton County.

OUR CORE VALUES

• Provide encouragement, hope, and a path to independence delivered with dignity and respect.

• Be a rewarding place to work for individuals who are well-trained, experienced, professional and compassionate.

• Attract and retain volunteers who are dedicated and committed to serving their neighbors in need.

Our broad support base of donors, sponsors and volunteers makes a wide range of vital services possible as we work to build a stronger community together!

Why the name change?

• To reintroduce ourselves since our recent merger

• To increase visibility to those in need and those who want to help

• To refresh our identity by removing the word “social” since we are not a government entity
